

SUNNYVALE MEN'S GOLF CLUB

August 2003 NEWSLETTER

Welcome To Our New SMGC Members

Nilesh Shah - Palo Alto

It is our pleasure to welcome Nilesh Shah to the Sunnyvale Men's Golf Club. We look forward to seeing you at our next General Meeting to be held on August 20th or at an upcoming tournament! Our apologies if we missed any new members.

The Passing of a Friend

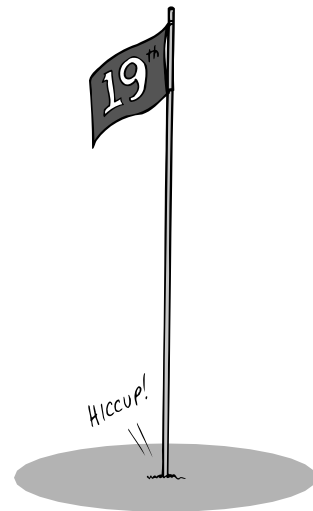

It is with regret that the SMGC has to announce the passing of one of our club members. **Keith Cutler** of Fremont was killed in a automobile accident on Friday, August 1 in Elko Nevada. He was a member of multiple golf clubs, and had been a member of the SMGC since 2000. The only information we were able to gather was that Keith was returning from a golf tournament in Utah Friday morning when his car went into the median of Highway 80 and overturned.

More Aces For SMGC Faces!

On July 28th while playing at Wedgewood Golf Club in Olive Branch, Mississippi our own **Martin Delfino** scored an ace on the par 3, 172 yard 11th hole using a 6-iron. Not to be outdone, **Roger Boettger** scored one of his own at the par 3, 157 yard 2nd hole at Los Lagos on August 6th. That makes **7 Aces** so far this year for SMGC members. It looks like it's going to be a record year for the SMGC in aces scored. Keep em coming guys!

Your Club Meeting

The next General Membership meeting for the S.M.G.C. will be held on Wednesday, August 20th at 7:00 p.m. with early tournament signups starting at 6:30 p.m. General Meetings are held every third Wednesday of every month at the Lookout Inn above the pro shop at Sunnyvale Muni

Comments:

The Diablo course is the steeper but shorter of the two courses at Ridgemark and requires more strategy and placement off the tee. Water and sand bunkers are abundant. A great course to test your shotmaking ability. Always in great shape especially in the summer time when the greens are hard and roll true. Good practice facility and dining on site.

Blue tees: Rating: 72.3, Slope: 126, 6,582 yards

White tees: Rating: 70.0, Slope: 122, 6,099 yards

Comments:

This course is highlighted by the fourteen holes that were cut out of an old walnut orchard. The natural setting makes this course quite scenic. The terrain is flat, yet the fairways do have some mounding. The greens are sloped and undulating. There is a creek that meanders throughout the course but only comes into play on a couple of holes.

Blue tees: Rating: 73.2, Slope: 130, 6,858 yards

White tees: Rating: 71.4, Slope: 125, 6,482 yards

Comments:

If you never played at Pacific Grove then I urge you to come on down. This is a very popular destination for the SMGC and spots will fill up fast. The front nine winds through the Del Monte Forest with a few tight, well bunkered holes that require precision shots before giving way to the breathtaking views of the Pacific Ocean on the back nine and some great links style golf along the Pacific. Check out **Toasties Cafe** at 702 Lighthouse Ave for a great breakfast before heading out to the course.

Blue tees: Rating: 67.7, Slope: 119, 5,732 yards

Comments:

Los Lagos is an 18 hole, par 68 course that opened for play in San Jose in 2002. The course is pretty much wide open, with rolling fairways and challenging greens. The course spans Coyote Creek and water comes into play on several holes. There are 5 par 5's and a handful of par 3's which makes this course competitive for all handicaps. This will be the clubs first visit to this facility and turnout is expected to be good. Course is in excellent condition! Sign up early if you don't want to miss out on this one. **Short and Sweet!**

Blue tees: Rating: 65.4,
Slope: 112, 5,393 yards

This course in the hilly, wine growing region of Paso Robles features large oak trees lining the fairways. Uphill and downhill shots are aplenty. On several fairways trees were left in the middle of the fairways, which can block your approach to the greens. Fairway and greenside bunkers abound. The greens are large, tiered, and very fast. There are a couple of water holes to deal with but the beauty and design of this layout make it a very pleasurable golfing experience. One of our more popular weekenders. Don't miss out on this one!

Blue tees: Rating: 72.6,
Slope: 136, 6741 yards

White tees: Rating: 70.4,
Slope: 131, 6,292 yards

Time to Prepare for Hunter Ranch

Our annual outing to Hunter Ranch in Paso Robles on October 25, 26 is the last weekender of the year and one of our more popular destinations. There are many activities in the Paso Robles area including golf, wine tasting, and sightseeing which makes it a popular destination for tourists. Lodging arrangements can be difficult if you wait until the last minute. **It's up to each player to make his own lodging reservations.**

Here is a list of places to stay that our club members have used in the past. It's a good bet that rooms will be scarce so plan ahead and make your reservations early. **As a side note:** There will be a 2 - day sweeps available for outside play for the tournament. **A.J. Spurs** will again be the choice destination for most of our players for their dining experience after golf.

Attendance at this months General Meeting is valuable!

This month's General Meeting is an important one that all members should attend. The Board of Directors will be discussing the upcoming elections for open seats on the board of directors and the upcoming club championship. (We will be discussing the rules of play and a refresher on match play)

There will be three board positions up for election at the October Annual Meeting.

Per Article V, Section 4 of the Men's Club By-Laws, a Nominating Committee has been selected. Committee members are John Szarka, Nadeem Rahman, and John Johnson. SMGC Members who would like to serve on the board of directors next year should contact anyone on the committee.

Nominees selected by the committee will be listed in the posting room at the Sunnyvale Golf Course by September 1st. In addition to being nominated by committee, any five members of the Club may nominate one or more person(s) by submitting a petition by the end of the September General Meeting. Nominations will close at the end of the September meeting, and no new nominations may be made from the floor at the October Annual Meeting.
