## INTERNET NEWS!

*A little bit of Internet this...*

Do you anxiously wait near the beginning of the month to find out what your new handicap index is? Do you wish that somebody would actually email the updated monthly information to you? Well, your dreams have been answered! During the last few months, the NCGA has implemented a system that emails your latest handicap information to you. I have used this for the last five months without any issue, and recommend it to all of you that can't wait to receive your handicap sticker.

To sign up for this service, go to [www.ncga.org](http://www.ncga.org). Look at the bottom for "Register Your Email Address". Fill out the information and you're all set.

*and a little bit of Internet that...*

Since I'm on an Internet roll here, I thought I'd mention another website that has proven very worthwhile for me. It's [www.golfclubexchange.com](http://www.golfclubexchange.com). GolfClubExchange.com allows its participants to either sell or buy used equipment easily and affordably on the web. It's sort of an eBay specifically for golf equipment. I have sold numerous clubs (and sets of clubs) on the website and have not been disappointed. If there's a certain club you want to buy, or one you want to sell but don't know how, then this might be the perfect website for you! There's even a handy link to the "Golf Club Blue Book" that gives you a rough estimate of how much your clubs are worth.

*and last but not least...*

I just learned of a new website recently called Golf707.com ([www.golf707.com](http://www.golf707.com)). This allows you to book discounted tee times on many golf courses around the area. There are plenty of deals to be found (especially if you are flexible on when you can play) and this site has a lot of them. Courses available for discounts include some local well-known tracks such as Tilden Park, Bayonet/Black Horse, Rancho Canada, Eagle Ridge, and San Juan Oaks. Now you can play your passion and still have enough money afterwards to buy dinner, or at least to pay off your debts!

 Comments:

This course is located in Patterson (Stanislaus County) off of I-5. It is nestled in a valley of rolling foothills that incorporate dramatic elevation changes and stands of Valley and Blue Oak trees that decorate the entire layout. The course is very well bunkered, and the greens are straightforward. Water comes into play on five holes. The signature hole is #12, a 649 yard, par 5, requiring three long, precise shots over a dogleg left fairway, two creeks and past 400-year-old oaks to reach the well bunkered green.

**Blue tees:** Rating: 74.3  
 Slope: 142, 6,932 yards

**White tees:** Rating: 71.8  
 Slope: 133, 6,381 yards

 Carts: 90<sup>0</sup> Weather Permitting  
 Comments:

Located in San Rafael, Peacock Gap plays along the San Francisco Bay with the bay coming into play on some holes. The fairways are tree lined, and water hazards are sprinkled throught the design. It is an easy course to walk and the scenery is great.

**Blue tees:** Rating: 70.0  
 Slope: 118, 6,354 yards

**White tees:** Rating: 68.3  
 Slope: 116, 6,001 yards

## August 28, 2004 (Saturday) Cypress Ridge (Avila Beach Weekender)

Cost: \$78 with cart  
 Director: Jay Dameron  
 Phone: (650) 473-1229  
 Field Size: 36  
 First Tee Time: 9:30 a.m.  
 Format: Point Par  
 Tees: Split  
 Driving Range: Yes  
 Cutoff Date: August 17th  
 Spikes: Non-Metal Only  
 Carts: 90<sup>0</sup> Weather Permitting  
 Comments:

Located in Arroyo Grande, this course features mature cypress trees, lush fairways, and fresh ocean air. The course weaves through a real estate development with spectacular views of the Pacific Ocean. A majority of the greens are elevated and they are generally flat with subtle breaks. Bunkering around the greens is considered heavy. However, there is always access to the greens.

**Blue tees:** Rating: 73.0  
 Slope: 133, 6,803 yards

**White tees:** Rating: 71.3,  
 Slope: 129, 6,443 yards

### August 29, 2004 (Sunday) Avila Beach (Avila Beach Weekender)

Cost: \$69 with cart  
 Director: Jay Dameron  
 Phone: (650) 473-1229  
 Field Size: 36  
 First Tee Time: 9:30 a.m.  
 Format: Point Par  
 Tees: Split  
 Driving Range: Yes  
 Cutoff Date: August 17th  
 Spikes: Non - Metal Only  
 Carts: 90<sup>o</sup> Weather Permitting

#### Comments:

This course has several elevated tees and greens, particularly on the front nine. Large trees line the fairways and come into play throughout the course. The greens vary in size from small to large and are sloped, but don't have any severe undulation. There are several holes that require shots over water or gullies. Three holes on the back nine require a shot across a river.

**Blue tees:** Rating: 72.0,  
Slope: 137, 6,513 yards

**White tees:** Rating: 69.6,  
Slope: 130, 6,053 yards

### September 4, 2004 Dry Creek Ranch

Cost: \$50 with cart  
 Director: Nadeem Rahman  
 Phone: (510) 543-5579  
 Field Size: 44  
 First Tee Time: 9:38 a.m.  
 Format: 2-Man Better Ball  
 Tees: Blue  
 Driving Range: Yes  
 Cutoff Date: August 20th  
 Spikes: Optional  
 Carts: 90<sup>o</sup> Weather Permitting

#### Comments:

Located in Galt off of Hwy. 99 north of Lodi, Dry Creek is a course that is challenging due to the many trees that can affect your shots. Scoring well on this layout demands that you keep your shots in the short stuff. The fairways are lush and the greens are hard and fast. There is water that comes into play on four holes. If you are looking for a challenge, this is a good course that will test your shotmaking abilities.

**Blue tees:** Rating: 71.3,  
Slope: 129, 6,508 yards
