MAY 2008

## DIRECTOR'S CUP UPDATE

The reconstruction of the tee boxes at the Sunnyvale Municipal Golf Course is now scheduled to be complete at the end of June or early July.

As a result, we have moved the date of our two-day SMGC Director's Cup once again. It will now be July 19 and 20 at Sunnyvale. All the new tee boxes should be open by then.

For those of you who wanted an ego-boosting round, play the Sunnyvale Course soon while the temporary tees are still being used for a lot of the holes. Member Larry Lopez recently played the course and gave the following report on how some of the holes played:

- #3 437 yards - basically a good par 4 now
- #4 98 yards
- #5 200 yards, and you can go directly over a big tree to get to the green in one
- #6 245 yards in a direct line, but you have to go over or around trees
- #7 75 yards
- #8 227 yards, reachable if you want to be aggressive
- #9 331 yards
- #10 435 yards, an easy par 4
- #11 332 yards
- #12 245 yards in a direct line to the green
- #13 78 yards

We see a career low score happening for a lot of you!

## NEW MEMBER

We are pleased to welcome our newest Club member, **Matt Tondag** of Fremont. Matt, we look forward to seeing you on the next tee!

## YOU HAVE A FREE SATURDAY!

There is no SMGC tournament scheduled on June 14. What can you do with a free Saturday? Well, fly an American flag for Flag Day and celebrate Father's Day a day early. Or, take your main squeeze out to lunch! No? You're going to golf anyway? What a guy!

# IMPORTANT NCGA TOURNAMENTS

Two local qualifiers for Northern California Golf Association tournaments are announced in this month's Future Tournaments section on page 3. These events are always popular with the club because of the possibility of advancement in order to represent the SMGC against other clubs at venues such as Poppy Hills and Spyglass Hills.

The NCGA Senior 4-Ball Net Qualifier will be held at our club event at San Jose Muni on Saturday, June 7. The top two-man senior team will advance to the sectional qualifying round on Thursday, August 7. To qualify, both players must be 55 years of age or over by September 15, 2008. The finals are Monday and Tuesday, September 15 and 16 at Poppy Hills. The maximum allowable handicap is 18.4. Anyone over 18.4 will play at 18.4. In addition, if the two players' handicaps differ by more than 8 strokes, an additional 10% reduction to the course handicap will occur.

The NCGA 4-Ball Net Qualifier (for all players) is at Santa Clara at June 28. The top two-man team advances to the NCGA sectional qualifier on Thursday, August 21 at a course TBD. The Finals are Monday and Tuesday, September 22 and 23 at Poppy Hills. As with the Senior 4-Ball Net, the maximum handicap is 18.4 and an additional 10% reduction to handicaps will apply if the difference between the two handicaps is more than 8 strokes.

# FUTURE TOURNAMENTS

## June 7, 2008 San Jose Muni NCGA Senior 4-Ball Net

Cost: \$144 per team with cart  
 Director: Les Cheong  
 Phone: (408) 396-6902  
 Field Size: 40  
 First tee time: 11:00 am  
 Format: 2-Man Better Ball Low Net  
 Tees: TBD  
 Driving Range: Yes  
 Cut-off date: May 24

San Jose Muni is a local favorite. It is nearby for many, in good shape, and you can shoot a very good score if your swing is on. There are some holes where you can get into trouble (like the dogleg-right second hole or the super-long par 4 15th hole that is often against the wind. However, in general you can let it fly here.

This tournament will also serve as our local NCGA Senior 4-Ball Net Qualifier if both players in a team are 55 years of age or older as of September 15, 2008. See the article on page 2 for more details.

**Gold Tees:** Rating: 71.8  
Slope: 119 Yards: 6,700

**Black Tees:** Rating: 70.0  
Slope: 117 Yards: 6,304

## June 21, 2008 Sunol - Palm Course

Cost: \$69 with cart  
 Director: Martin Delfino  
 Phone: (510) 366-5142  
 Field Size: 32  
 First tee time: 9:05 am  
 Format: Point Par  
 Tees: Split  
 Driving Range: Across the freeway  
 Cut-off date: June 11

This is the longer of the two courses at Sunol. The fairways are wide, but the holes are long. This course is called the Palm Course because of the numerous palm trees that line the fairways. Palms are skinny, but it is amazing how often you can end up hitting them here.

Bring your long game as you will be needing it to hit a lot of drivers, fairway woods, and long irons.

**Blue Tees:** Rating: 72.3  
Slope: 121 Yards: 6,830

**White Tees:** Rating: 70.5  
Slope: 118 Yards: 6,406

## June 28, 2008 Santa Clara NCGA 4-Ball Net Qualifier

Cost: \$138 per team with cart  
 Director: Jay Dameron  
 Phone: (408) 712-0227  
 Field Size: 32  
 First tee time: 9:00 am  
 Format: 2-Man Better Ball Low Net  
 Tees: Gold  
 Driving Range: Yes  
 Cut-off date: June 18

There are some tricky holes at this course, but also some holes where you can score well. Two of the par 5s are reachable in two, and there are a number of short par 4s of which you can really take advantage.

In addition to a normal club event, this will also be our round to determine which teams represent the SMGC at the NCGA 4-Ball Net Qualifier. The top team will advance to the next round on August 21. Refer to the article on page 2 for more information on the NCGA 4-Ball Net Qualifier.

**Gold Tees:** Rating: 70.5  
Slope: 116 Yards: 6,329
